Dumareah Taylor is 24 years old and incarcerated in Illinois, USA

My name is Kash. I'm a guy from the west side of Chicago, where the Bulls basketball team is from. I'm a bit cut-up guy with the business. I'm a dedicated, determined, passionate, ambitious, and creative person. I spend most of my time working out, reading, and writing songs. I enjoy laughing and having fun. I strive to make the best out of every situation. We only live once, so it is important to maximize our experience, and staying positive is key.

I'm looking for a natural, one hundred percent woman to correspond with. I'm not homophobic, just don't want any misunderstanding about my profile. We all have enough problems of our own; there's no sense in adding someone else's to the mix. I'm just trying to kick it with somebody cool who's capable of holding a decent conversation.

I've always believed that a man with unrealistic expectations is prone to bypassing some realistic opportunities of meeting a woman. So, I have no outrageous expectations with this. I don't need to lie or to be lied to.

However, I would like to expand my little world by meeting people and making friends from all over. I'm interested in learning about as many different women, cultures, lifestyles, and perspectives as possible, including yours. This is why I've decided to post this profile. I hope you decide to contact me, and I look forward to hearing from you soon.
