

Elizabeth Lawson is 46 years old and incarcerated in Georgia, USA

Hi! My name is Beth and I am seeking friends. I would like to make new friends who are positive and encouraging, just as I strive to be for others. This is my first incarceration, and I have used this time to rebuild myself in many different ways.

I am a part of the women's seminary program and will be graduating with a 4-year bachelor's degree next year. My life has changed drastically since I came to prison, and I want to help others change theirs as well. I want to use my life struggles to minister to others who are facing the same trials.

I am also a licensed hairdresser at home, and it is my passion. I love to help others find their beauty. Being in the salon allows me to use my gifts and creativity to help others look and feel good.

Although I am in prison, I don't let it define me. I feel like I am using the time wisely. My parole date is in 2026, and I will be free physically, but today I am free mentally. I want to find healthy relationships with others who are striving to live a better life.

I am a Christian woman and I want to be able to express myself in this way. It would mean so much to me to find a pen-pal with the same qualities.

Hope to hear from you soon!

Beth
