

Shawn Scott is 28 years old and incarcerated in Kentucky, USA

Hey world!

All of my basic info is on my profile, so I'll use my bio to tell you about me on a more personal level. The first thing you should know is I love to laugh! I can be serious when it's time for that too, but I have a high-energy and humorous personality. I'm very easy to talk to and, having been through so much—good and bad—I'm very relatable.

I accept what I did, so I'm not the type to complain about my time or act like I was "wronged" by the system. However, I also don't feel like I should be locked up and be alone, which is the reason for me making this profile. I look forward to meeting new people, positive people, to build friendships or whatever else comes along.

If you're interested, you can message me here, write a letter, or send me an instant message by downloading the messaging app listed below and using the "emessaging" option. I have a lot to offer and would love to show that to the world.
