

# Jacob Carter is 32 years old and incarcerated in Arizona, USA

Hello, my name is Jacob Carter. I'm serving a term of eight years and I'm almost done. I get out in January of 2025. Although I have made mistakes in my life, I feel that mistakes should not define a person. I have grown a lot from this experience and I'm looking forward to getting out of here and moving in a positive direction with my life.

I'm looking for someone who is open to getting to know me and willing to allow me to get to know them as well. I hope to build a strong, honest relationship and maybe find something special with that special person. If you are interested in contacting me and getting to know me more, you can send me a text message on my tablet and I will text you back. Send me a text through the message service. I hope to hear from you soon.
