

## Michael Ciccolelli is 41 years old and incarcerated in California, USA

I enjoy traveling and seeing exotic places. I'm a student of the sciences, studying astrobiology, and yes, I even enjoy Ancient Aliens. I know, I'm a geek lol. I seriously love learning. I'm studying Spanish, the stock market, and solar energy, just to name a few subjects.

I have no children but love kids. Until recently, I owned a business, a pawn shop that I started from the ground up. That was one of the most fun and rewarding times of my life. Upon release, I want to start a rehab facility to help people suffering from addiction.

I'm very active. I enjoy sports (football and basketball mainly). I work out regularly and consider myself to be in great physical shape. I'm incarcerated for having a firearm while being a felon. I'm looking for someone I can really talk with, not just to. I've never been married, as I only want to do that one time, so I will be sure she is the one before I do.

If you're interested in a friendship or more, please write to me. Include a picture so I know who I'm talking to. My religious preference is Christianity, and I'm from Salt Lake City, Utah.

Thank you and God bless,

Michael
