Samuel Cozart is 51 years old and incarcerated in Minnesota, USA

Hello, special someone! My name is Rico and I'm in a treatment based-sober facility.

A little about me: I'm 50 (thank God) and I've been incarcerated for 12 years and I'm about to come home in about a year from now. When I was on the streets, I ran escort services and other things to make money, which is what landed me in here. I've learned my lesson from that, trust me. Right now, I'm looking for a special kind of person who can look past the case that I went down for and respect and appreciate the morals and values that I still stand for. Please understand that I realize the courage and curiosity it must take to do that.

In all honesty, I've been on sites like this before, with not much luck, because I seem to attract women who have lost hope in finding a real man, as well as women with no positive outlook on the future. It seems to me that too many people nowadays want to be depressed or negative. I know that the world and country we live in is messed up, but am I wrong for looking for a pen-pal who believes in themselves as much as I believe in myself. In the best of all possible worlds, I'm looking for 'Amazing' and I know they're out there. I deserve and I know you do too.

So hopefully this ad turns out to be a good idea and that the right person checks on my profile and actually reads my bio. Hopefully they're ready for a man to be 100 percent honest with them. (Assuming you have any questions.)

For the record, I can email through the message service, as well as Facetime. I don't collect call out of respect for you.

Rico
