Nyako Pippen is 36 years old and incarcerated in Pennsylvania, USA

Hello,

My name is Nyako Pippen. I am a 36-year-old Pennsylvania native, and I've been incarcerated in the Pennsylvania Department of Corrections for 17 long years. During my years of incarceration, I've had many people come and go in my life. Being imprisoned makes it difficult to maintain connections and only adds to the feeling of loneliness on an already tough journey. But despite my isolation, I believe that I still have something to offer, and therefore, I am hoping to make a new connection and build a meaningful friendship.

Since being incarcerated, I've used my time to work towards becoming the best version of myself. I've realized that many of the poor choices I once made were due to my lack of emotional and educational development. Throughout the years, I've committed to personal growth and education. I've earned my High School Diploma and completed numerous postsecondary/college courses, including Paralegal Studies, Creative Writing, Sociology 102, and more. I also have a passion for helping others. I am a Certified Peer Specialist and I work helping other incarcerated individuals cope with mental illnesses.

I enjoy reading, working out, laughing, and engaging in meaningful conversations. I am an easygoing, understanding person, and I've been told that I am a good listener. If you are interested in getting to know more, I am looking forward to hearing from you.

The quickest way to reach me is via email.
