Thomas Leae is 30 years old and incarcerated in California, USA

My name is Thomas P. Leae. I'm currently incarcerated at a California State Prison, serving a life sentence with 9 years down now.

Full American Samoan, born and raised in Seattle, Washington.

God knows it's been quite the journey for me, and I'm super grateful now to have changed my life for the better. Knowing I have a purpose to why I'm still here on this earth, I've recently written and released my first book, a memoir about myself. I poured my all into this book, spilling my heart and narrating as best as I can from full honesty and experiences. I believe this book is a must-read!

With that in mind, I very much would like to correspond with people who can seriously help share my book with the world. I am interested with open arms in anybody who has the time on their hands to help share my story. I believe my story has the power to inspire gratitude and greatness for many who come across it. So helping me would be beneficial to helping us all.

California State Prisons now have electronic tablets. It is a blessing to have an open line of communication with unlimited phone calls and affordable text messaging services. So if you don't feel like writing a letter you can easily add me on the message app.

Safe to say, I am definitely well worth your time and investment. Look forward to hearing from you soon!

Much love & respect
God bless
