Anthony Smith is 41 years old and incarcerated in Oklahoma, USA

Hi, I'm Anthony, and I am 41 years old. I have spent the better part of my adult life lost. I like to think that I am a naturally optimistic person.

The reason why I have decided to create a profile is that I am in search of a friendship where we grow old together and tell our grandkids stories of our past. I am an artist, and my passion is tattooing. I also like to express my creativity through drawing. I will be done with my sentence in 14 months. I am hoping to develop a friendship that will help keep me home once I get there.

I'm athletic, I love stand-up comedy, and I wear my heart on my sleeve. I love music and play the acoustic guitar a little. There is so much more I could say about myself and my interests, but you will have to reach out in order to find out my secrets. I love life and want nothing more than to find someone to go on adventures with.

I've had my heart broken before but feel like my soulmate is already on her way to me. I believe in the law of attraction, and I understand the universe is always conspiring on my behalf. If you write me, I'll write you back, and I'm sure you won't be disappointed. I'm a friend that will last forever!
