Israel Lopez is 37 years old and incarcerated in Washington, USA

Hello, my name is Israel. I am a 37-year-old father of two beautiful daughters. I am exploring this pen pal site for the first time. I came into this hoping to create real connections, meet people from all walks of life, and build meaningful and lasting friendships that go beyond these walls. I do not want to bore you with my whole life story, but here are a few things about me: I am kind, caring, funny, witty, and non-judgmental. I am completely dedicated to changing my life and not letting my past define me.

I am currently working towards my associate's degree in Business Management. I enjoy working out, drawing, and playing chess. I am from Fresno, California, but grew up in Mexico City. I know reaching out to someone in here can be kind of intimidating, but once you get to know me, you will see that I came into this for all the right reasons. The quickest way to reach me is through the email service.
