## Mark Jones is 28 years old and incarcerated in Michigan, USA

Hey, my name is Mark Jones. My friends and family call me Junior. I am 26 years old and I am from Flint, MI. I am hoping to meet lifelong friends that I can talk to about anything and everything. I love making people smile and laugh. I once lost some of the people and things that make me who I am today, like my smile, laugh, and sense of humor.

Now, I make it one of my priorities that the people closest to me never lose theirs. I'm not perfect; I've made mistakes in my life that have changed my life, but my mistakes don't define me. I try to start each day fresh and use whatever happened yesterday as a learning experience.

I'm a very realistic person who sees the good in everything, no matter the situation.
