

# Namir Walker is 25 years old and incarcerated in Pennsylvania, USA

Alright, so I think I'm gonna "one take" this. My name is Namir, but they call me Miz or Prolific Life. I am 25 years old. I'm what you'd call a jack of all trades—I study and have experience in a little bit of everything (some things more than others). Prolific Life is a positive attribute used to describe the nature of who I am as a person.

I won't say too much about myself because the beauty of meeting a new person is earning the comfort and trust it takes to understand the diversity of each person. No DNA code can ever be replicated; every creation is unique in its own way. So if you write me, I just ask that you be yourself and be receptive to these good vibes.
