

# Tyler Bishop is 24 years old and incarcerated in Minnesota, USA

Hey, my name is Tyler and I'm currently incarcerated and serving time for second degree sales. I'm looking for a female friend who is interested in some good conversation and good company.

I have just under a year left in here and would love to have someone to talk with for my time in here and to even possibly continue when I'm out. Right now I'm into basketball, working out, play cards like poker, and I also cook. Before I came in I loved to be outdoors and travel, fishing, still loved to cook and played basketball with my friends. I'm a big family guy and will definitely be spending more time with them when I get out. I'm just looking to do something more positive in life and do something different.

Anyway look me up, and if you're interested in getting to know more about me just add me and send me an email/message on the service listed below.

I look forward to talking with you.
