

# Shonmical Rean is 30 years old and incarcerated in California, USA

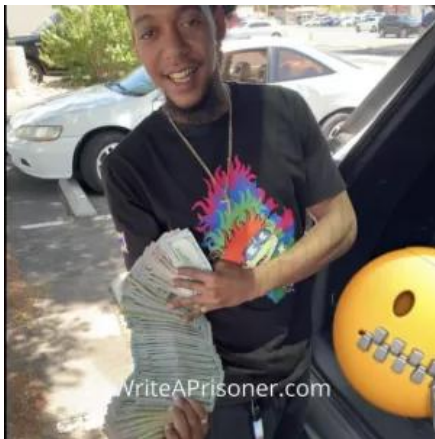

Hello there, allow me to introduce myself. My name is Shonmical Rean. I am a cancer born July 2, 1994. I'm 5'9" about 200 lbs athletic build. If this ad sits before you then is possible you're one of the open-minded few who doesn't mind developing a new acquaintance. I have placed this ad in hopes that someone would be willing to see beyond the obviousness of the circumstances and take an interest in what can be developed. Of course that starts with a basic correspondence that will cost you nothing but your time, opportunity, and willingness to meet someone new.

I love the great outdoors, walks on the beach, camping, swimming, and anything as long as it's under the sun. I also love animals ( sometimes more than people | love spending time with family and friends. I can't enjoy any of the things I mentioned due to the fact that I'm an inmate. I will admit I chose the wrong path for this life and lost sight of who I really am. I am now forced to live in a world where it is impossible to express my true self. With that said I am determined to find someone to connect with, and on the other hand reconnect with myself. I can tell you a good friend is hard to come by behind these walls.

If you're interested in hearing the rest of my story please feel free to reach out to me via my email carrier listed below.
