

# Felix Lopez is 45 years old and incarcerated in Texas, USA

Looking for heart-to-heart, deep, intellectual, and normal life conversations. How do you view life and how has life treated you? What is your perspective on things? You might blow this off as a coincidence that you're reading my page, but I believe there's a journey behind every coincidence. We just have to dig into it.

One thing I know for sure about life is that you never know who you're going to meet. If you're willing to dig into this journey behind the coincidence, then consider me. You can reach me at the institutional message service's website.

I'm a UofH graduate, highly intellectual, highly motivated, an organized thinker, extremely active, with a cool, calm, and collected disposition. I'm ambitious, self-sufficient, selfless, optimistic, well-structured, and God-centered.
