Ricardo Taylor is 35 years old and incarcerated in Kentucky, USA

I know the importance of seeing our struggles as opportunities to learn and become better and stronger people. I take pride in being honest, thoughtful, considerate, and loyal. I've learned in this place that even when your priorities are in order and your moral compass guides you to always do what's right, it only goes so far when you don't have someone to share your life with.

I'm a hopeless romantic who believes in love and having a soul mate, and I'm strong and secure enough to admit that I have a sensitive side. I have a big heart, but no one to share it with. The fast-paced and wild lifestyle that I've previously lived has taught me much, but the main thing I've learned is that love conquers all and is the only thing that matters. Even if you're not looking for a life partner, I hope that if my balance of a bad boy and hopeless romantic doesn't do it, then maybe my positive attitude and good nature will convince you that I could be a good friend. I enjoy laughing and making the most out of all situations.

I enjoy working out and also writing lyrics and doing artwork.

I'd love to correspond with you and look forward to hearing from you soon.
