

Codie Lady is 34 years old and incarcerated in Kentucky, USA

Hey now,

My name is Codie Lady, my last name is peculiar, its Scottish my family says? Although I have such a last name of sorts, it doesn't define me as my identity goes.

I'm a top in the gay community. I don't identify as female or a 'sissy' in penitentiary terms. There's a lot of slang names for girls in the joint, that just being one. I'm masculine at heart but I'm also very attuned to my soul, in such a way that I don't have to label myself in order to feel more of a man.

Through Zen, Buddhism and THE Vedas I've grown much here in prison. I've been down for 14 years in here and this is a first for me doing the website thing. I come home in 6 years!

I can't wait to chase my dreams of becoming a country music superstar.

My struggle is not having any support on the streets. I don't have anyone to believe in me like I believe.

If you choose to become a part of my life, not to sound arrogant but you've just made a great decision that has many benefits.

Through meditation and study I've learned to let go of all the negative aspects of my character. I walk in pride and confidence. I'll never bring you down or belittle you. I promise to be the best friend a friend can have. I'm lonely for real. I put all my pain in my music and poetry. I'd like to share my struggle through these outlets if you like? My momma and pops are both gone now R.I.P. Daddy died of fentanyl overdose on July 6,2024.

To whom it may be listening, open your heart to my words. Allow your energy to feel mine. Feel my genuineness and eagerness to build something with someone.

I write this after meditating and sending positive love out to the Universe. I believe you can feel this if you attune your energy to mine. Like I said before, writing me could be one of the best decisions you've made in awhile. Especially if your tired of the fake and crave the real. Real recognize real as the saying goes in the joint.

I'm only allowed so many characters in this bio, so I have to cut it short my friend. I look forward to sharing with you something positive and beautiful. Hopefully building something that transcends this physical barrier separating me from freedom.

Thank you for your time and energy.

You can contact me by email by downloading the free app listed below in the email carrier listed below, and type in the facility, then my name and my ID number which are all in the address block.

Much love...
