

Ethan Harrison is 22 years old and incarcerated in Kentucky, USA

Hi there, I'm Ethan. I've been incarcerated since 2020, and during this time, I've dedicated myself to personal growth and self-improvement. I believe in always remaining teachable and never stopping to listen. I'm committed to excelling and achieving success in life.

I love the great outdoors, especially hunting and fishing. I'm a blend of a pretty boy with country boy charm. Honesty and loyalty are values I hold dear and apply daily. I've worked hard to change my life for the better, and I'm confident I'll do great things once I'm released.

I'm also very talented at artwork and enjoy expressing myself creatively. One of my main goals when I get home is to help take care of my great-grandmother, who is getting up there in age. She helped raise me, and I want to give back to her.

I'm usually attracted to older people, so I tend to jive with them more than folks my age. I'm hoping to meet people from all over the world. It would be really cool to talk to someone from Europe.

I'm looking for friendship—someone to truly get to know, share laughs with, and build a positive support system. If you're interested in connecting with a good-hearted person, I hope to hear from you. Thank you for taking the time to read my profile.

The best way to get in touch with me is through email. You can write me at the address below.
