

Brandon Office is 43 years old and incarcerated in Louisiana, USA

Hi, my name is Brandon Office, and my reason for joining this program is to establish a level of friendship and communication with people, or with someone who's capable of building a friendship that's worth having. Someone who may prove this journey to be a worthy endeavor.

The base of my foundation is strength, motivation, purpose, and balance, and my mission is to rise and achieve success in the fullest measure of life. Along the way, I would love to have someone with whom I can share my past, present, and future experiences. Someone who will reflect my dreams and aspirations, as well as see me as someone they can share their world with.

I am someone you can confide in and express all your thoughts, ideas, opinions, and feelings to. I'm a great listener, and I am strong and assertive when it's my turn to speak. I will encourage you, uplift you, compliment you, motivate you, and praise and applaud you for your efforts. I'm a firm believer that every voice has a message, and the mystery is how your message may influence my outcome.
