

Daniel Lee is 35 years old and incarcerated in Arkansas, USA

Hello, my name is Daniel Lee. I'm seeking a female pen pal to explore conversations and/or anything outside these walls! It would help me more than you know to engage in topics of whatever interests you may have. It's always nice to look forward to mail call. I'm looking forward to watching the stars next to a campfire and enjoying the solitude that comes with it.

I have a great deal of interests. I like to build things with my hands, and I love hunting and fishing—pretty much everything about the outdoors. I love music and have been told I'm a good dancer. I'm also pretty handy with a wrench. I repair or rebuild small engines, like mowers and chainsaws, and I do the same for cars! My out date is in 2026, so let's exchange letters until then. I'm looking forward to your correspondence.
