Abdul Harris is 32 years old and incarcerated in New York, USA

First and foremost, To whom may be viewing my profile I hope that the viewer is presently in the best of health mentally, physically, and spiritually with high hopes of future success and a fulfilling purpose.

Thank you for taking the time and energy to be within my presence, I commend and admire your fearless and daring spirit which shows u are non judgmental and willing to take a chance. Secondly, as far as personality wise I would describe my self as confident, intelligent, charismatic, funny, goal oriented, and ambitious. Essentially everyone in life experiences shortcomings and falls, however, it is up to us as people to stay down and undone or ingratiate strength with purpose and rise like the sun. Time is only a tool of measurement and of the change in things and what we do with that time ultimately defines our future and determines our destiny...I am interested in anyone who is interested in me.

I created this profile In hopes of building meaningful friendships and seeing what transpires from potential conversations of life and experience. So viewers don't be shy to hit me up and claim your prize.

Once again, thank you for taking the time to be within my presence via digital letter lol. I hope to hear from u soon.
