

Deshawn Abner is 35 years old and incarcerated in New Jersey, USA

What's up? My name is Deshawn Abner, but everybody calls me Sauce or Hem. I'm in search of someone who doesn't mind building a relationship or friendship, someone who doesn't mind writing and who is also open-minded and honest.

I strongly believe that in order to help build a strong and healthy friendship or relationship, one must have some morals and qualities, such as respect, trust, honesty, understanding, and good communication skills, among other things. Nobody's perfect, and that's why I don't judge a person and will understand whatever we may discuss.

My biggest pet peeves are people with hidden agendas, disloyal people, sneaky people, and liars. I do not take advantage of people because I know firsthand how it feels to be used.

I like writing songs/raps. For the most part, I'm family-oriented and try my best to build assets, not liabilities. Here are a couple of pictures of me when I was home. When I take more pictures, I will send them to update my profile
