Jonathan Rojas is 31 years old and incarcerated in Washington, USA

Let me steal a moment of your time for a quick introduction.

I'm a different kind of Leo, unlike most. I live in a concrete jungle and am an artist who cultivated my talent behind these walls. I spend my time drawing, working out, and learning about my roots, my culture, and I'm constantly interested in learning about others' heritages.

My other hobbies include watching random TV shows, playing sports, and card games. My perspective on life is molded by my experiences and what I've been through. I'm sure yours is too. There is much to learn from others if one is always willing.

With that being said, let's see what we have in common, and/or let's see what we can learn from one another. You know the saying, "Don't judge a book by its cover."
