Marco Vargas is 35 years old and incarcerated in California, USA

Thank you for taking the time to read my profile. I'm here hoping to meet and create new acquaintances and relationships. This experience has taught me the value of having good people in your life! I'm curious to know how we, as individuals, may affect each other's lives. I'm open to learning about different walks of life, as mine has been very limited. I'm an avid reader, very curious, and passionate about both mind and health. I love experiencing art of all kinds and enjoy it even more when it inspires me.

I'm mainly looking to meet women. Life tends to serve its purpose when it's ready. I would welcome anyone who takes the time to reach out to me. A good friendship can always lead to great things! If my profile interests you, send me a message on the app. Let's see what we can create and bring into the world.
