

# Eric Pizarro is 52 years old and incarcerated in Idaho, USA

Hi, I'm looking for friends from everywhere. I study different languages. I enjoy skydiving, camping, fishing, barbecues, and hiking. I want someone to share the free world with me. I enjoy all kinds of music. I get out next year, but possibly sooner if the court releases me based on the brief I filed. I work out five days a week and enjoy sports. I also watch movies, read books, and I am very open-minded. I'm writing my autobiography and a personal memoir. When I get out, I'm planning to get a Belgian Malinois from a kennel and name him after one of my best friends who passed away.

In the meantime, I enjoy uplifting those I meet on this journey called life. So please, open an email account so we can talk, or send a snail mail letter.
