David Mosso is 28 years old and incarcerated in Washington, USA

First and most important, thank you! Thank you for taking the time to stop and read a little bit about who I am. I invite you into my life so you can get to know me better and see what I can offer you.

I'm a man who loves music and art. I play sports and enjoy keeping my mind busy with drawing and exercising. I love to smile :). I've been doing time for a little while, and I have learned from my past. That's why I'd like to offer you something special—my time, my love, my respect, and my loyalty, as you need it. I've always been an honest person, and that's why I say I am a reflection of the person I see in front of me.

I'm not looking for perfection; I'm looking for realness. I'll be here to support you with everything I can and make sure that every second is worth it!

Thanks again.
