

# Andrew Salamon is 38 years old and incarcerated in Illinois, USA

Hey there,

Thank you in advance for taking the time to consider my profile. By stopping here, you must be missing something in your life that you're looking to fill. How do I figure that? I'm here for the same thing. Let me explain...

My present incarceration limits those I can have a decent and uplifting conversation with, not to mention conversations with the opposite sex. I'm in search of someone to pass the time with, connect with, and possibly even build a lasting friendship with. How's that sound? Interested? Here's more about me.

I would describe myself as charismatic, easy to get along with, and I have a tendency to stay positive regardless of my circumstances. To me, problems are just challenges to be overcome and learned from. I've been told I'm honest to the point it gets me in trouble; I like speaking my mind. In my free time, I enjoy jailhouse cooking, working out, reading, and writing letters. I also enjoy all types of music and am an avid movie watcher.

Well, you made it this far, what do you think? If any of this interests you, hit me up. If not, but you might know someone who would, please pass this profile to them. I really hope we can connect and become great friends. I don't think we can have too many of them, do you?
