

Michael C. Williams is 50 years old and incarcerated in Arizona, USA

I am a 6' 4" extremely fit, bald-headed, blue-eyed, Heathen Warrior with Peckerwood Chrome in my beard. Please do not interpret the Chrome in my beard as an old man, or old-timer, to hell with numbers, I feel alive!

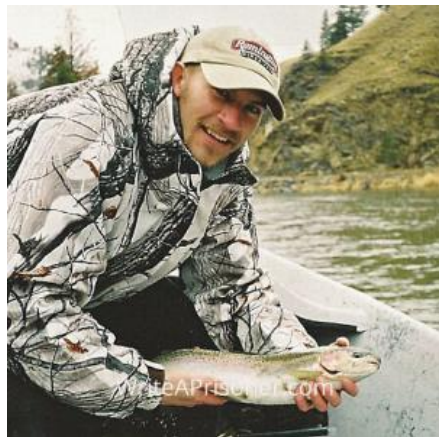

Yes, I am in prison, I am only residing here, it does not define me, this is not my home. I'm an active student of exercise physiology and applied sciences. I embrace with a laser focus on what comes next for me. Physical and mental health are equally important to me because freedom is that reality.

I pass the time like any other creature trapped in a cage. I do it with a positive mindset and a strong sense of purpose. I make Norse knot bracelets for friends and family, and I love watching movies. I read, listen to music, and I challenge my mind and body with college studies and engineering exercise programs. Those have now been turned into a Unique Fitness Manual called The Science Within A Heathen Warriors Fitness Manual and a 1 Year Calendar Training Journal For The Science Within a Heathen Warriors Fitness Manual available for purchase through my webpage

You have seen my photos, and now you are reading this profile. Have the courage to write me at this Arizona prison address or we can use the email system.

Please note that I am an Idaho inmate doing my time in Arizona due to overcrowding issues so you will need to set up your email account using the JPay site though Idaho as the state and my ID number which is below.

I hope to hear from you soon!
