

Justin Adolph is 43 years old and incarcerated in Nebraska, USA

First off, thank you for taking the time to read this. I would like to begin by describing myself as a funny, honest, and caring man looking to build a long-lasting friendship and maybe more if the right woman comes along. My interests and hobbies are centered around artwork, tattooing, and music. I spend most of my time drawing for others who appreciate my personal style of artwork.

It would be nice to take the short amount of time I have left on my sentence to make a connection with someone that could understand what I'm going through now, rather than meeting once I'm free and having to explain the last 5 years all over again. I hope being able to email using GTL "gettingout.com" messaging will help make things easier to connect with each other. I hope to hear from you.
