"The most courageous act is still to think for yourself"- Coco Chanel

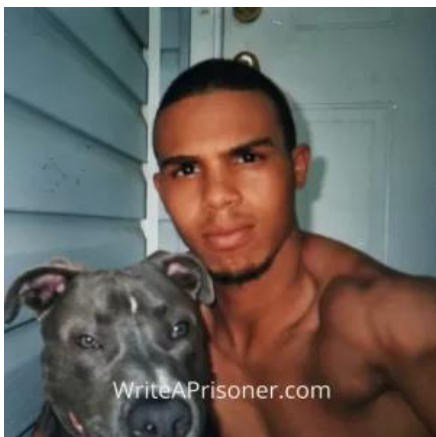

WARNING: If you don't want your mind to be irreversibly blown, STOP READING NOW! Still here? Well, don't say I didn't warn you :)

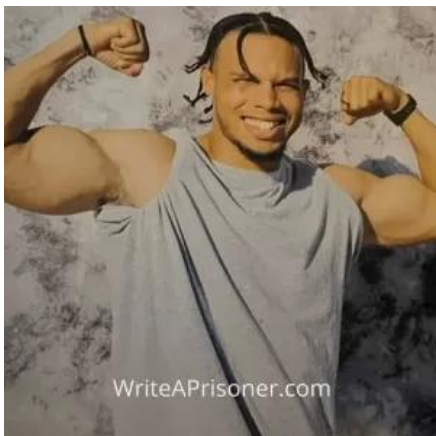

I am searching for the best friends in the world. Maturity, intelligence, kindness, integrity, passion, and a sense of humor are among the qualities I value most. Books are very important to me for all the things they teach me and all the places they take me to. Ayn Rand, John Steinback, Haruki Murakami, Sally Rooney, Lisa Taddeo, Paulo Coehlo and George R.R. Martin, and Don Miguel Ruiz are some authors I deeply admire.

Extensive travel and adventures await me during my next chapter. Brazil, Peru, Spain, Iceland, South Africa, The Netherlands, Morocco, Egypt, Japan, and Thailand are a few places I am looking to explore. I am a firm believer in self-actualization and energy awareness. Did I become a little better today? What kind of impact am I having on the people I meet? What kind of energy am I putting out and allowing to affect me? Am I learning lessons from my (inevitable) failures? I try to get a little better every day and it starts with asking myself questions like these.

I'll leave you with a bit of (unsolicited) advice: Pursue your happiness, it is essential. If you believe that I can contribute to your life positively, reach out. You can now text me using the "getting out" app. If not, make someone else's day!

Smile and be good :)
